Auditor's Report on Review of Interim Financial Information to the Board of Directors

M/s. ALORA TRADING COMPANY LIMITED.

We have reviewed the accompanying balance sheet of M/s. ALORA TRADING COMPANY LIMITED as of 30th September, 2012 and the related Statements of Profit & Loss and Cash Flows for the quarter ended, and a summary of significant accounting policies and other explanatory notes, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. Management is responsible for the preparation and fair presentation of this interim financial information. Our responsibility is to issue a report on the statement based on our review.

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the applicable accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement with the stock exchange, including the manner in which it is to be disclosed or that it contains any material misstatement.
